

"Give ear to my prayer, O God; do not hide yourself from my supplication." Psalm 55:1

We welcome any and all to share in prayer this day.

As you participate in the Shepherd of the Valley Prayer Vigil, these are some suggestions to enrich your time, offering a guide if you want one.

Thank you for your time and may we all be blessed as a result of it.

1. If you are waiting for your turn to enter the sanctuary, please remain silent out of respect for whoever may be offering their prayers before you. If your time is limited, enter any time , respecting those already present.
2. Please pray for any and all people, for this community of faith and the larger church, for our community and the whole of the world.
3. Pray for requests made available, or if you would like to leave a concern please write it down and leave it in the basket provided.
4. Inside the sanctuary this can certainly be a time of silent prayer, but if you need or want to talk out loud please feel free to do so. This is a safe place to pray whatever you need.
5. There is a space to kneel if you would like to, or if you want to walk please do so.
6. If you are having a difficult time getting started, or simply want to offer prayers with another voice, please to turn to the Bible's, hymn books and other material that has been provided (these have been marked for areas that may be of particular help).
7. Please remember to leave the area quietly.
